The Cloud™

HotSpot+ADSL Bundle

ADSL Line Rental

ADSL ROUTER

Wireless HotSpot

Our 2mbps* (unlimited usage) ADSL connections are ideal for use with **The Cloud** network and because we want our HotSpots to be the fastest ones around, we will automatically upgrade all our customers to the 8mbps service once this becomes available.

£999.99 +VAT

For 3 years including setup

To order now call:

0870 432 5500

3 year contract is required for either service option. A BT phone line is required in order to use this service. We will endeavour to provision the fastest line possible with BT, If 2mb is not available, we retry for 1mb. Unfortunately, due to distance restrictions, only 512Kbps service is available under certain circumstances.
